Who are the Friends of the Verona Public Library?

The Friends of the Verona Public Library is a non-profit organization dedicated to the improvement of Verona's most treasured asset – its library. Since its founding in 1983, the Friends have been supporting the library through financial gifts and program development, which have helped to improve the library's book and encyclopedia collections, furnishings, and programming. Much of the Friends funding has come from the community through its support of the Annual Book Sale and through the purchase of annual memberships.
